

Lift-In/Lift-Out Request

Early Liftout – Sept 29, 2018	North Wall	South Parking Lot
Late Liftout – Oct 13, 2018	East Wall	South Parking Lot
Early Lift-in – April 27, 2019	East Wall	South Parking Lot
Late Lift-in – May 11, 2019	North Wall	South Parking Lot

Name: _____ Phone: ___-___-_____ E-mail: _____

Boat Name: _____ Length: _____ Beam: _____ Estimated Weight: _____

I wish to be lifted out:

- Early
- Late
- Don't care
- Trailer – Lift either time

I wish to be lifted in:

- Early
- Late
- Don't Care
- Trailer – Lift either time

Note: You may not get your preferred location or date. Let the Supervisor know you are lifting your boat onto a trailer.

Mast:

- Mast on deck
- Mast on - Note: only boats with keel stepped masts lifting to the East wall or Parking Lot will be lifted with masts stepped. Boom and backstay must be removed prior to lift.

I agree to allow Kincardine Yacht Club to lift my boat. I understand that Kincardine Yacht Club does not carry insurance for damage to boats incurred during lifts and I agree that I am responsible for any damage to my boat as a result of lift activities.

I agree to follow the instructions of the Lift Supervisor and Safety Monitor. I will remain outside the lift area whenever a boat is suspended from the crane. I understand that the crane will not lift a boat if unauthorized persons are in the crane area and that the delay will be included in my lift time.

I agree to have tag lines (minimum 20 ft) attached to the bow and stern before 8:00 on the morning of the lift and to have all power cords and attachments removed. I will have the backstay and boom detached if I am lifting with the mast on. Any delay related to the boat not being ready to lift will be added to my lift time.

Boats will not be lifted unless the owner or representative is present. Additional lift time resulting from owner not present or boat not ready will be billed to the owner. Boats will not be lifted (except to move them out of the way) if you have outstanding bills with KYC or the marina.

The new washroom construction will continue until November. We will not be able to put boats from the stairway south to the road. Overflow will be in the South Parking lot or on the North Wall. We can place boats in front of the condos, however access for vehicles will be required.
