KYC MEMBERSHIP INFORMATION

Membership in Kincardine Yacht Club includes certain rights and obligations. Below is a *partial* list of some that you should consider before deciding to join. For a more complete explanation ask your sponsors or a member of KYC's executive committee to refer to the club's Bylaws and Constitution.

- To become a member of the Kincardine Yacht Club, you must complete in full the application form, be sponsored by two current members in good standing, and submit with your application a cheque for your membership dues.
- Members and their guests are expected to comply with all club bylaws and marina policies and rules.
- Members are encouraged to support the club with at least ten hours of labour per year. Members occupying a seasonal dock for the current year are entitled to receive a credit towards dockage for hours worked in accordance with the rates and restrictions in effect at the time. It is the *member's* responsibility to make arrangements to perform approved work as assigned by executive and committee members, and to ensure that their hours are properly recorded.
- Membership in KYC does not guarantee a slip. Slip assignments are the responsibility of the Marina Manager and KYC Executive Officer.
